

Alexandre Lavoie

Alexandre is a Senior Marine Safety Inspector at Transport Canada. He holds a Bachelor of Technology from Memorial University and specializes in radiocommunication and navigational systems. He joined the Navigation Safety and Radiocommunications team of Marine Safety in 2016 after serving 12 years in the Royal Canadian Navy. As part of his duties, Alexandre has been the Head of the Canadian delegation at the IMO Navigation, Communications Search and Rescue (NCSR) Sub-Committee and the joint IMO/ITU Expert Group on Maritime Radiocommunication matters.
