

## Pre-Arrival Information Report (PAIR)

### Instructions

Complete this Pre-Arrival Information Report (PAIR) form and send it to Transport Canada Marine Safety and Security

- a. If the duration of the segment of the voyage before entering Canadian waters is less than 24 hours, as soon as practicable before entering Canadian waters but no later than the time of departure from the last port of call;
- b. If the duration of the segment of the voyage before entering Canadian waters is less than 96 hours but more than 24 hours, at least 24 hours before entering Canadian waters; or.
- c. At least 96 hours prior to entering Canadian waters.

Send this form electronically via e-mail to one of the addresses specified below. Include your vessel name and IMO number in the subject line and include a copy of your ISSC.

#### Vessels entering WESTERN CANADA

To contact Transport Canada Marine Safety and Security (West Coast), please call 1-250-363-4850 or e-mail at [marsecw@tc.gc.ca](mailto:marsecw@tc.gc.ca).

#### Vessels entering EASTERN CANADA, the ST. LAWRENCE SEAWAY or the CANADIAN ARCTIC

To contact Transport Canada Marine Safety and Security (East Coast), please call 1-902-427-8003 or e-mail at [marsece@tc.gc.ca](mailto:marsece@tc.gc.ca).

\* This PAIR form was designed to meet Web Content Accessibility Guidelines (WCAG). If you do not require an accessible form, you may send an email to receive a non-accessible, full-featured version: [TC.PAIR-NPA.TC@tc.gc.ca](mailto:TC.PAIR-NPA.TC@tc.gc.ca)

### Vessel Details

Vessel name

Country of registry

Name of registered owner

Name of operator

Name of classification society

International Radio Call sign

IMO number

IMO company number OR IMO registered owner number

### Security Information

ISSC/CVSC or ship compliance document number

Document issued by

Document issue date (dd-mm-yyyy)

Document expiry date (dd-mm-yyyy)

This vessel has an approved security plan

Yes

No
