

## ICE ADVISOR LIST 2016

### Warning and Disclaimer:

It must be understood that the contractual arrangements for the services of an ice advisor are to be made directly between the Federation member company and the Ice Advisor. The Shipping Federation of Canada, its agents, officials, servants and representatives accept no responsibility which may flow from any such contract. The Federation does not guarantee or warrant the competence of Ice Advisors included on this list and is not responsible for any damage caused or resulting from the use of Ice Advisors, including any damage caused by any fault, negligence willful or wrongful, of any Ice Advisor whose name appears on the list.
